A Day With A Designer

A Day With A Designer - this is what I chose to call our special day that we had with Ellen as she taught her beautiful needlework design, "Fruit of the Vine Sampler" at the Mission Estate winery - the oldest winery in NZ - at Taradale, Napier, New Zealand.

And this is what Ellen had to say on her blog -

"How much fun it was for me to present 'Fruit of the Vine Sampler' at a winery".

Weather was glorious. Venue just magnificent. Lunch, morning & afternoon teas were delicious.

And our tutor, Ellen was AWESOME!

Everything so well presented and her teaching wonderful.

A wonderful day and one not to be forgotten.

The delightful class attendees -

Lee & Karen

Elizabeth & Diane

Marion, Linda & Rae

Vivien & Melissa

Joanne & Judith

Jane & Elizabeth
