

What's New At Heirlooms?

Boxes: Recently acquired for purchase in the Gallery were lovely boxes in various sizes and designs that could be used for storing all sorts of things or for storing those necessary, but annoying, TV & DVD remote controls — out of sight!. These boxes look wonderful sitting on one's coffee table or amongst the books on a bookshelf as the boxes are designed to look like books. However, I have found another wonderful use for them - that is, for my latest needlework project. This is in the largest of the boxes available and I have also placed the smallest of the boxes inside the largest box, into which I have placed all my threads, etc. This worked wonderfully when I attended my latest stitching workshop. So light and easy to carry in ones arms (although one has to remember that it is not able to be "closed shut"). However, not suitable for large projects. But, the boxes look wonderful sitting beside ones stitching chair!! An awesome range of colours and designs, in three different sizes.

Chateau - A French chateau, hanging bunches of grapes, etc. on a lemon background

Lily - A large ecru coloured lily on a deep taupe background

Paris - A Paris icon with an old fashioned ruffled peachy pink rose on an apricot/amber background

Rose - An old fashioned pale pink rose on a soft green background

All box sizes (regardless of design) are the same price.

Box A - 12" x 8.5" x 2.5" : 30cm x 21.5cm x 6.5cm	\$25.00
Box B - 9" x 6.5" x 2" : 23cm x 17cm x 5cm	\$20.00
Box C - 6.25" x 4.25" x 1.25" : 16cm x 11cm x 3cm	\$16.50

JBW 240 - Birds & Berries Antique Alphabet: A lovely design for those of you who love stitching projects that include an alphabet. Judy's original design is stitched on cream linen with a red overdyed thread, but I've chosen to stitch my model on the palest of a mauve coloured Brittany

fabric (#505 - Lavender Bliss) with a subtly overdyed *Simply Shaker Sampler Thread* (#7062 - Old Purple Paint) by The Gentle Art. The end result is quite different from Judy's original, but still very pleasing. This particular design would look awesome stitched over one thread. Design: \$10.00

JBW 241 - Christmas Bells: As it's title suggests, two Christmas bells, the shapes of them being created by Judy's clever use of tiny sampler motifs. Atop the bells are two holly leaves and below them are stitched the words, *Joyeux Noel*, however, the addition of these words is optional. Bells are in Christmas red and the holly leaves and words in Christmas green. Design: \$10.00

JBW 242 - Christmas Tree Collection VII: Two more Christmas trees to add to the other Christmas tree ornaments. One tree is embellished with a brass Christmas tree and the other, a brass star and an ice skate.

Design & Embellishments: \$15.00

JBW 244 - French Country ~ Squirrel: The cutest of squirrels, once again, the shape being created by the use of little motifs of birds, owls, squirrels, acorns and leaves. Design: \$10.00

JBW 245 - French Country Ornaments: Three little ornaments to adorn a Christmas tree. A star (motifs of reindeer, hearts & Christmas trees) and made up/finished in the shape of an arched window; Santa's sleigh (motifs of reindeer, birds, hearts & stars) and made up/finished in a rectangular shape and lastly, the alphabet shaped and made up/finished as a mini Christmas stocking. Design: \$10.00

NOTE: Leisure Arts have published an A4 sized pattern book which contains several of Judy's "out-of-print" baby designs. This book will not be available from Heirlooms.
