

# What's New At Heirlooms?

For those of you who are not able to visit the Needlework Gallery and for those of you who were not able to attend the Embroiderers Guild Conference that was held in Auckland at the end of July last year, you may not know that not long before that time Olwyn Horwood granted me the rights to publish her design that she created for a class that she taught at the Sampler Gathering at Taupo in 2011. This beautiful piece was inspired by an antique sampler. Olwyn chose different elements that were in this large sampler and reduced them to create a smaller sampler for us to stitch. To the right is a photo of this gorgeous sampler with Olwyn standing underneath it, plus an image of the delicate design.

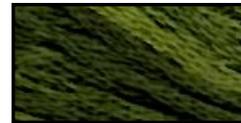

BARB 055 - Olwyn's Sampler 2011: \$27.50

**Threads:** In 2016, *The Gentle Art* added three new colours to their range of overdyed cotton threads -

- SAM05 0196 - Green with Envy )
- SAM05 0893 - French Lilac ) 5 yard skein
- SAM05 1192 - Rag Doll ) \$ 6.00

Many of you will know that one of my favourite colours is green. It is also a favourite colour of one of my lovely customers who lives in Hamilton - Fiona Jones - and she chose 'Green With Envy' for last year's Mystery Sampler project - Family Quaker Sampler.

**Magazines:** The latest two issues of *Just CrossStitch* available at the Needlework Gallery are December 2016 & February 2017.

*Just CrossStitch - December 2016:* This issue is packed full of Christmas tree ornamental ideas - No Peeking : Fairies : Yuletide : Penguin Love : Gingerbread House : My Christmas Stocking : The Christmas Stitch : Christmas Cross Coin Purse : Candles in the Night : Angel : A Christmas Carol : JOY Squared : Seasons in Chalk Art: Christmas : Christmas Tree Farm - to name a few. Plus, there's lots more. I like what the editor of the magazine had to say. She wrote, " *Frazzled? Hurried? Pressured? Is that how you feel during the hectic last months of the year? Thank goodness for cross stitch! That's the one activity that is a respite from the foot-long-to-do list*". Truly - fabric, thread and needle in one's hands soothes, refreshes and calms the soul. \$18.50

*Just CrossStitch - February 2017:* The biggest change to this magazine with this issue is that all needlework charts are now printed in colour. There are a couple of other changes to the magazine that were introduced last year, and these are to continue. They are -

*Designer Q&A* - information about designers

*The Sampler Sleuth* - for those who enjoy historical samplers there are to be reproduction samplers : serialized over several issues of the magazine. The charts are to be presented in a way that part of the chart can be stitched and displayed as its own design, or can be stitched part by part until the whole sampler is complete as one. The first part of three parts of Susanna Rambo's 1836 sampler is in this issue. \$18.50

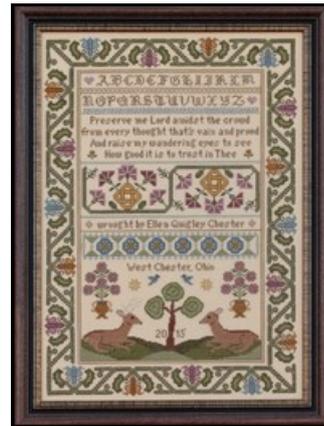

**Designs:** In June of last year, one of our favourite designers - Ellen Chester of *With My Needle* - released some new designs.

The following descriptions are as written by Ellen -

**WMN : AMIDST - Amidst the Crowd:** My design was inspired by Mary Ann Green's lovely sampler, which is part of my collection. Mary Ann stitched her sampler in 1838, and I've included a small photo of her sampler with the directions. My design borrows heavily from Mary Ann, but there are also quite a few changes to the design and colours. Therefore, this is not a true reproduction, but rather an historical adaptation of Mary Ann's lovely sampler. Detailed stitching directions, charts and stitch diagrams are on 13 pages, plus there is a cover page and the sampler photo. Stitches used are Backstitch & Cross Stitch over two threads, fabric is 36 count Antique Ivory Linen and the stitch count is 222 wide x 318 high. \$40.00

**WMN : GIFT - A Gift From Heaven:** I designed these two samplers to commemorate the births of my twin granddaughters, Katie (Kathryn) and Norah. I wanted each girl to have their own sampler that would be slightly different from her sister's, but I wanted them to co-ordinate. The thread colours on both samplers are the same, but I changed the colours of some of the flowers on the border so that there would be a subtle difference between the two samplers. I also changed the positions of the bees, ladybugs, small flowers and butterflies. The most noticeable difference is that the pictorial scenes on the samplers are mirror images. I've included charts for both samplers in the package. Detailed stitching directions, charts and stitch diagrams are on 7 pages, plus there is a cover page. Stitches used are Backstitch, closed Herringbone, Cross Stitch, Cross Stitch over one thread, Satin, Smyrna Cross & Tent Stitch. Silk threads are by *Needlepoint, Inc.* and Simply Wool from *The Gentle Art*, fabric is 36 count Antique Ivory Linen by *Zweigart* and the stitch count for each design is 159 wide x 80 high. \$32.50

**WMN : SENT - Sentiments 1 and 2:** *To Love and To Be Loved* and *When We Are Absent One From Another* are my first two offerings in a series I call, *Sentiments*. These little designs look wonderful framed, but they would also be beautiful on the top of boxes or made into mini pillows or perhaps a pincushion. Charts for both designs, detailed stitching directions and stitch diagrams are on 4 pages plus a cover with a photo are included in the package. Stitches used are Backstitch, Cross Stitch, Cross Stitch over one thread, Satin and Smyrna Cross. Silk threads are by *Needlepoint, Inc.* and the fabric is 36 count Marine White Linen by *Lakeside Linens & Designs, Inc.* Stitch count for each design is 73 wide x 73 high. \$32.50

WMN : SENT - Sentiments 1 & 2 - \$32.50

*That's all for the moment - apart from the happenings on the next few pages. Sherelyn*
