

## What's New At Heirlooms?

Christmas - a very special time of year. In God's Word, the Bible, it says .....

"A man's heart plans his way but the Lord directs his steps" (Proverbs 16 : 9)

Last year it was announced that it would be the last Christmas at the house. Our plans for Christmas this year have not been realised and at this moment we do not know the reason but God's plan and purpose for the delay of our plans will one day be revealed. Therefore ... Christmas ... will once again be at the house and you and your friends are invited to share this special time with us.

In my February newsletter I mentioned that after the Trade Show in Nashville, Melissa and I went to stay for several days with Sandie at her home in Phoenix, Arizona. We had the most wonderful time! She treated us as royalty!! Whilst there I saw most of the above designs in their various stages before being completed and printed. And too, saw her lovely Christmas design that she created for the 2010 Christmas Ornaments issue published by *Just CrossStitch*. If you have purchased this lovely magazine, have a look at page 55 - the photo of Sandie sitting at one of her desks in her office was taken by myself whilst we were there. And - if you purchase the lovely Quaker kit - have a look at the piece of tatting that is used as part of the "window dressing" (together with the old-fashioned glasses & iron) underneath the design. This I made as a gift for Sandie. I feel rather honoured that she has used it as part of her display.

As this year draws to an end, time to reflect on all that has happened throughout the year and remember all those of you who have been so faithful and supportive with your custom and all those of you who have been such wonderful friends. You have shown love, care and concern and your goodness and kindness and all that you have done has sincerely been appreciated. Thank you.

May the Lord bless you beyond measure throughout the new year and may you have a wonderful, happy, memorable Christmas with all your family and friends.

Sherelyn

*Whenever we see decorations  
that sparkle,  
and tree lights that glimmer  
and glow  
Let us remember the star that shone  
brightly  
and lit up that night so long ago.*

*Whenever we wrap up our presents to  
others  
and dream of the gifts we'd like best  
Let us remember God's gift  
of a Saviour  
the gift that outshines all the rest.*

*Let us keep Christ as the heart of our Christmas  
as we gather together  
with family and friends  
and may we remember to keep Him  
an important part  
of our daily lives  
throughout the coming New Year*
