

Beautiful 2026 Calendars & Stationery

8 October 2025

Dear Needlework Friends.

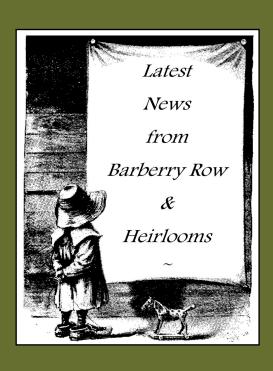

I haven't wanted to think about it, but a box arrived on my doorstep several days ago containing my order of 2026 calendars! And so had to think of the fast approaching new year of 2026. 2025 is passing by far too quickly!

As per usual, the beautiful LANG & LEGACY calendars for 2026 are stunning! Now available at the Needlework Gallery. Treat yourself or a friend. A reminder of the wonderful features of these calendars -

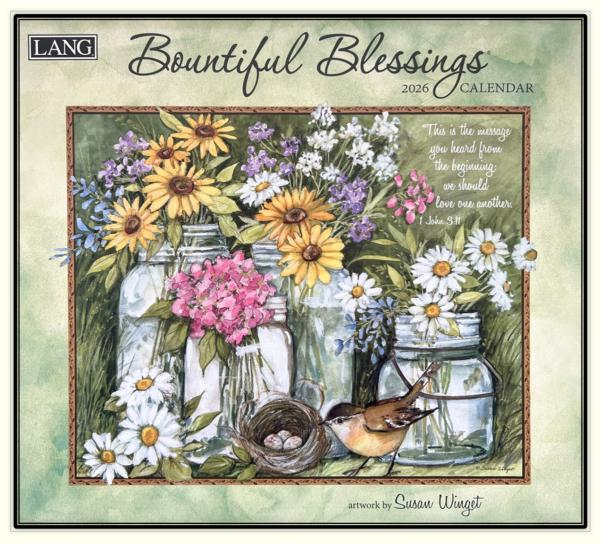

- * Great Art Work taken from hand painted originals by todays most talented artists.
- * The rich, full-colour art work is on linen embossed paper (some pages include inspirational words or verses)
- * The days have large grids for writing notes, appointments, recording birthdays, anniversaries, etc.
- * Brass grommet to prevent calendar tear.

Don't delay. Visit the Needlework Gallery and choose your favourite artists work as soon as possible. Some styles already SOLD OUT.

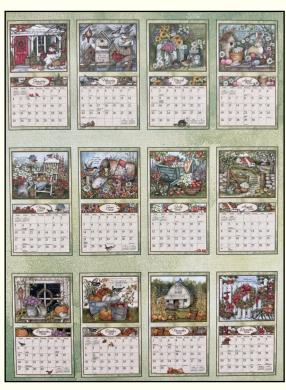

Your Needlework Friend, Sherelyn
