~ CHRISTMAS ~ CHRISTMAS ~ CHRISTMAS ~

Due to the many requests for this special seasonal event to be continued,

Christmas will again be celebrated at Heirlooms

as from the 11th of November see next page for details of days, dates & times

Designs: I don't know how she does it - but she's done it! Judy Whitman of *JBW Designs* has published another six lovely new designs. Mostly Christmas designs. That lovely time of year is almost here!! Where, oh where, has this year of 2011 gone?!

JBW 243 - French Country ~ Reindeer Stocking: I love this stocking just as much as her earlier one. Once again this stocking is covered with random motifs and the alphabet - but all the motifs are of reindeer in different stances and sizes - and all are stitched with one coloured overdyed thread. \$13.00

JBW 246 - Needle Roll & Needle Case: Two floral designs. One a basket of flowers and the other a medley of flowers. These may be stitched on their own and framed, or attached to a needle roll or needle case made from lovely patchwork fabrics. This is how Judy has designed it. She has also suggested stitching the little basket of flowers over one thread and making it into a scissors fob. \$10.00

See next page for details of more designs and pictures of all the new designs
