**Threads:** DMC has added sixteen brand new colours to their line of ART 117 Stranded Cotton.

3880 3881 3882 3883 3884 3885 3886 3887 3888 3889 3890 3891 3892 3893 3894 3895

These are the first new colours to be added since 2001, and were developed based on input from top needlework designers.

The new colours expand on several of DMC's existing colour families, and are split into two distinct palettes:  
eight soft, natural shades and eight bright, vibrant hues.

With the addition of these sixteen new colours, DMC's Stranded range becomes the largest in the world with 479 colours.

These mercerized threads are made in France using premium quality 100% Egyptian cotton.

Currently these sixteen new colours are only available in a pack. Each pack comes with three lovely FREE patterns to stitch!

The patterns include *Bohemian Tapestry*, *Tropical Punch* and *Woodland Walk*.

**Designs:** Sandie of *The Sweetheart Tree* has again been busy with her designing skills, thus publishing six new designs to tempt our itchy fingers and needle.

In the *Teenie Tweenie* series, the 'special' embellishments are included with the design.

SWT:TT 171 - *Teenie Pineapple*: This is a tiny but totally traditional take on this symbol of USA colonial hospitality. (*I have seen this symbol carved into many fire surrounds, on wooden wall panels, atop pillars and/or staircase railings or carved in stone atop gate pillars, throughout my many tours of plantation homes*). The crystal clear paillettes cast a lovely sparkle and add a special sophisticated touch. \$25.00

SWT:TT 172 - *Itty Bitty Kitty - Garden*: The fourth in a mini-series of Tweenie Tweenies designs featuring adorable "Itty Bitty Kitty". Each of the designs in this series features the cutest little feline in different seasonal settings. In this design, kitty is ready for the rich summer harvest and seems to be guarding the carrots, corn and ripe heads of cauliflower from a pesky crow sitting on top of the white picket fence. "Itty Bitty Kitty" designs fit into a standard 4 x 4 frame or can be made into hanging ornaments. Embellishments are two dear little soft yellow flower beads. \$25.00

The Teenie Kits series of designs are all-inclusive kits - that is, they contain everything for the design : the fabric, the threads, all embellishments.

SWT:TK 082 - *Baby Violets*: This piece Sandie designed as a tribute to her maternal grandmother - Bessie Mary Jones - the patient soul who taught her to stitch at 6 years of age. Sandie says, "Her love of stitching still lies deep within for me. Her favourite flower was the violet and she raised many varieties in the East facing window of her kitchen while wild violets dotted her side yard. I now have several Atrican Violets on the window sill in my kitchen so I guess my love of violets is inherited!" Sweet is probably the word that most defines this piece. Worked on 28 count Lambswool linen, this design has a delicate scalloped outer border inside which are tiny satin stitched violets surrounded by lovely leaves and vines. In the centre is a beautiful Amethyst Porphyry Violet bead and the whole piece is accentuated with tiny white pearls and three colours of petite beads. \$45.00

Purple Vinca  
\$47.50

SWT:TK 083 - *Purple Vinca*: This is quite stunning. Worked on 28 count Platinum linen in warm and inviting amethyst and green tones. Surrounded by two beautiful borders, there is a deep purple diamond shaped central motif. It will certainly keep your fingers hopping to follow the intricate centre design which is repeated in a smaller version in the outermost border. Crisp Scotch Stitches and flowers on the vine in the outer borders are fun and beautiful to stitch. Three colours of matching coloured petite beads and purple Cats-Eye beads accent this stunning design. \$47.50 *(Note: Pictured on previous page)*

SWT:TK 084 - *Bumbler Bees*: Tiny "over-one" bees are actively a-buzzing around a stylish hive. Sandie says, "It reminds me of summer time when the bees are working hard to make their honey sweet". Worked on 28 count Cream linen in deep gold, blue and green tones, this cute design is full of flowers and twisty vines. Highly beaded with a large brass bee as the focal embellishment. \$47.50

SWT:LE-DOUBLE - *Double Heart Posies*: This is a **Limited Edition** design - chart & sterling silver embellishment only. In the centre is a diamond shape containing nine Diamond Eye stitches surrounded by flowers, trailing vines and borders. Everything distinctively a *Sweetheart Tree* design. The sterling silver embellishment is a domed heart with another little domed heart on the top of it. Just gorgeous. \$25.00
