

# What's New At Heirlooms?

~

As 2022 comes to an end,  
don't look back on yesterday's disappointments,  
but choose to look ahead at the great opportunities that are to filled,  
the abundant blessings to be experienced  
and to the promises from God that are yet to unfold.

# A Needlework Challenge

~

At the beginning of each new year, my lovely friend, Gigi of GigiR Designs challenges needlewomen to begin and finish stitching a sampler in the month of January.

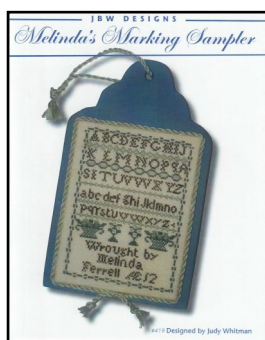

Her words .... "To be true to our tradition of starting a sampler on January 1st and to be blessed all throughout the year, if it is finished by the end of the month"
