As mentioned to you in my email of 7 June and the email accompanying this newsletter, Keith and I went to Taupo for six days for a much needed holiday - our first "true" holiday in three years!! My intention was to stitch and stitch and stitch – and, yes, I did quite a lot, but also did a lot of finishing of projects. It is surprising how much time it can take to make a bag, stuff little pincushions, scissor fobs, pillows, etc. and to make and attach cords to them. Keith, however, couldn't resist taking photos of my "holiday", as I took heaps and heaps of bookwork to catch up on, plus I did a lot of pricing of the products that I purchased at Nashville in readiness for the Needlework Exhibition at the end of July. The photos below show me stitching and surrounded by my "mess".

And below are photos of some of the finished pieces of needlework that are now on display at the Gallery.

*Note: Many of the pieces have **not** been stitched with the threads or on the fabrics as per the designers model.*

Mystery Sampler

Well known embroiderer, Elizabeth Darrah, has designed a sampler that she has donated to the Northern North Island region.
It is a band sampler - finished size 10cm x 50cm (4" x 20") - worked on a 32 count *Permin Linen*.
(It could also be worked on 28 count - it would be slightly bigger)

The main working thread is *The Thread Gatherer's* 12 ply variegated silk thread or *Waterlilies* and five plain complimentary colours, with #8 and #12 Perle Coton for the Whitework sections. Heirlooms will help you with this ...
We have called it '*The Mystery Sampler*' and we hope you all have fun working on this project.

Each month you will receive a progressive section of the sampler.

Starting on 1st November 2012 and finishing 1st April 2013.

You can always start after this date.

So - if you want to join in the fun - here's what to do

Send a cheque for \$30.00 (made out to: *Northern North Island Region*), together with -

Your Name : Address : Post Code : Phone Number : Email address
to

Northern North Island Region
Mystery Sampler
P.O. Box 11926
Ellerslie
AUCKLAND 1542

or, if you prefer, you can transfer directly to the Northern Region Bank Account -

ASB : 12-3027-0451737-00

Use '*your name*' and '*sampler*' as reference, please.

Email me that you have done this with your details for posting : diane@diginet.co.nz

And we will do the rest

Just a reminder this is Elizabeth's Sampler and please respect her copyright.

This was sent to me as a gentle reminder which I thought very apt ...

This is a little ditty
That I've been asked to write
A friendly little reminder
Just in case you might
Stitch the sampler,
Pass the pattern on
Even though you know
That it's quite wrong.
There is a copyright,
Legal stuff, I'm told
So you can't pass it on
And it can't be sold
It's for the good of us all,
Not just for one
So let's all do the right thing
And have stitching fun.
Anon

Have fun ...
